ACTION REQUIRED: For information only

1. In view of recent repeated indications by Headquarters of the need for all KUBARK elements to practice even greater economy than heretofore, the Training Station is suspending its proposal to construct a swimming pool.

2. Attached hereto are the drawings which were submitted by referenced dispatch. The Training Station would like to express its appreciation of the manner in which your Base has cooperated throughout the early planning stages of this project, and has volunteered continued advice and support.
